Evacuation

Vostok SOS - Based in Ukraine, partners with German-Swiss NGO [Liberico](#) to [provide immediate evacuation support to Ukrainians attempting to flee their homes](#). Vostok maintains a hotline for Ukrainians in need and, going forward, hopes to provide trauma support to victims of the Russian invasion. ([Time](#))

Humanitarian

CARE - Raising money for its [Ukraine Crisis Fund](#), which will provide immediate aid including food, water, hygiene kits, support services and direct cash assistance. The humanitarian organization aims to raise \$20 million and help at least 4 million Ukrainians. It says it will prioritize women and girls, families and the elderly. ([Fortune](#)) ([NPR](#))

Nova Ukraine - an American nonprofit, works closely with Ukraine-based organizations and is [currently assembling](#) supply packages that include diapers for children and adults, baby food, hospital supplies, and dry foods for a children’s orphanage in Donetsk. ([Time](#))

The Ukraine Crisis Relief Fund by Global Giving - The fund sprang into action once Russia declared war on Ukraine. [Donations will help](#) "affected communities in Ukraine, with a focus on the most vulnerable, including children, who need access to food, medical services, and psychosocial support." Not only that, but the Ukraine Crisis Relief Fund will "support humanitarian assistance in impacted communities in Ukraine and surrounding regions where Ukrainian refugees have fled." ([Today](#))

UNICEF - Supports [health, nutrition, HIV prevention, education, safe drinking water](#), sanitation and protection for children and families caught in the conflict in Ukraine. ([NPR](#))

United Help Ukraine - [United Help Ukraine](#) is an American nonprofit that formed after the 2014 annexation of Crimea. It's currently raising money to [send first aid kits and other humanitarian](#) aid to Ukraine. ([Time](#))

Media

Kyiv Independent - This English-language media outlet was launched three months ago and created on the principles of free-press and editorial independence. Donations can be made via its [GoFundMe](#) and [Patreon](#) accounts, which will be used to keep the news source running. ([Fortune](#))

Medical Help

Doctors Without Borders/Médecins Sans Frontières - Run a range of activities in Ukraine working with local volunteers, organizations, health care professionals and authorities to help [people travel to health care facilities and access prescribed medications](#). ([NPR](#))

International Medical Corps - The global nonprofit has been delivering primary health care and mental health services in eastern Ukraine since 2014, and is [raising funds to expand those services](#) for people affected by the latest conflict. ([NPR](#))

Project Hope - An international organization that coordinates with health-care workers to provide on-the-ground [medical support to countries in crisis](#). "With some 3 million people in Ukraine already in need of urgent humanitarian assistance even before the Russian military incursion, immediate medical support is needed to prevent the country from spiraling even deeper into a humanitarian crisis that could impact millions of people," Project Hope writes on its website. ([Fortune](#))

Red Cross - This Switzerland-based organization is [aiming to help people affected](#) by the conflict and support the work of the Ukrainian Red Cross. ([NPR](#))

Sunflower of Peace – An American nonprofit is [raising money](#) to prepare first aid medical tactical backpacks for paramedics and doctors on the front lines. Each backpack is designed for groups of 5 to ten people and includes an array of first aid supplies — such as bandages, anti-hemorrhagic medicine and medical instruments. They are asking for donations to be through Facebook since other websites are not waving fees. ([Time](#)) ([NPR](#))

Refugees

UNHCR - The international organization aims to provide emergency assistance to families in Ukraine — providing [aid such as cash assistance and opportunities](#) for resettlement. "UNHCR is working with the authorities, UN and other partners in Ukraine and is ready to provide humanitarian assistance wherever necessary and possible. To that effect, security and access for humanitarian efforts must be guaranteed," the organization said in a statement. ([NPR](#))

Children

Save the Children - The nonprofit helps to [deliver lifesaving aid](#) to vulnerable children in Ukraine and around the world. ([NPR](#))

Voices of Children - The Ukrainian organization's Charitable Foundation helps provide psychological and psychosocial support to [children affected](#). Voices of Children's efforts of support for kids include art therapy, video storytelling, providing mobile psychologists and even individual help for families. ([NPR](#))
